

## Plumbing Apprenticeship

Academic agreements are used to identify comparable courses or pathways between educational institutions. This allows students to receive credit at a receiving institution without having to duplicate courses recently completed and to continue their education between schools. In order to receive credit for course work included in these agreements, students must provide a transcript to the receiving institution with a grade "B" or better in the designate course(s). Any additional requirements are stated below.

Salt Lake Community College – Associate of Applied Science Apprenticeship Plumbing Independent Technology		
SLCC Guidelines	Davis Tech Course	Davis Tech Title
DATC students interested in this degree must meet the following requirements: <ul style="list-style-type: none"> <li>DATC Electrician Apprenticeship Certificate of Program Completion (Transcript Required)</li> <li>SLCC Admission Requirements</li> <li>SLCC Matriculated Student</li> <li>Student must meet all applicable program and/or course prerequisites as indicated by the appropriate placement instrument</li> <li>SLCC General Education components with completion of 25% of required credit taken directly at SLCC.</li> </ul> Journeyman's License from the Utah Division of Professional Licensing (DOPL).
