MAY 2023

Partnering with our community for career and economic development

## UPDATES TO THE NORTH SIDE OF CAMPUS

### 1. SPORTS COURT

We are building a new sports court east of the North Building, (formerly the Latter-Day Saint Institute building) This will include a basketball court, as well as striping for both volleyball and pickleball and will be open to the public.

**Projected completion: June 2023**

### 2. ACCESS ROAD

To reduce traffic congestion, Davis Tech is installing another campus entrance approximately 250 South and 650 East. Also, look for a new sidewalk surrounded by drought-friendly xeriscaping along 250 South and a new access point at 700 East to accommodate a future Construction Trades yard and new Commercial Drivers License training program. Additionally, a shed to house irrigation will be added approximately 800 East and 250 South and a new fence between 640 East and 822 East on 250 South.

**Projected completion: August 2023**

### FREE LUNCH

Did you know the Culinary Arts program runs a café on campus? It is open Monday through Friday, 10:30 a.m. - 12:30 p.m. We invite you to be our guest for a free lunch at the Corner Café to thank you for your patience during construction. A free lunch card is included to use at your convenience before July 1, 2024. The easiest way to find the café is via the east entrance of the main building, adjacent to parking lot P3. To use your coupon, place an order and then present the voucher to the cashier.

### QUESTIONS

If you have any questions about these projects, e-mail [bryce.fox@davistech.edu](mailto:bryce.fox@davistech.edu).
