

We are looking forward to releasing the Davis Tech Cosmetology & Esthetics application for the 2022-23 school year. **This year the application will be electronic so students will not need to physically drop off the application. The application is currently being tested and will be available on Jan. 14, after 3:00 pm. It will be due on February 25, at 4:00 pm.**

Please check our website for helpful tips on what will be needed to complete the application and the PowerPoint that provides insights to student and parents regarding the programs available and what is needed to be successful in the program.
