

WE CHANGE LIVES

McKinna Ostler Practical Nurse Program John Ernest & Ruth Bamberger Memorial Scholarship

"I am a single mother to my beautiful four-year-old boy. I love the work I do at the University of Utah Hospital as a Health Care Assistant. Continuing forward in the Practical Nurse program at Davis Tech is assurance to a brighter, healthier future for myself, my son, and my future patients. I want to help and make a difference in the lives of countless others. Finishing the program assures that I am able to accomplish my goals and provide for my son."

WE CHANGE LIVES

DAVIS
TECHNICAL
COLLEGE
FOUNDATION

THE MISSION of the Davis Technical College Foundation is to provide scholarships, equipment, and financial support to the College for technical education that promotes student development and economic growth.

Special thanks to the many Davis Tech employees who give annually.

DUNCAN BARLOW

On September 23, 2020 the world said goodbye to a great man. A man who was generous with his friendship, his resources, and his love. Duncan Barlow was the perfect example of service, serving formally as a member of the Layton Rotary Club for more than 40 years, and providing leadership on both the Davis Arts Council and Davis Technical College Foundation Board. Informally, Duncan served as the "Haagen-Dazs Ice Cream Delivery Man", for many years, delivering ice cream and smiles to neighbors and friends.

This past year, Duncan and his wife Debbie established the Duncan and Debbie Barlow Scholarship Fund at Davis Tech. We estimate 50-65 students' lives will be changed over the next ten years due to this scholarship fund and their generosity. Duncan and Debbie believe in supporting those in our community who lack access to general assistance and have designated that this fund can be used to serve both U.S. citizens, and non-U.S. Citizens. For our Dreamers, and others in our community who lack traditional access to financial aid, this fund will provide a path forward in seeking a better life for themselves and their families. Duncan's legacy will continue to change lives and inspire others to look for both the big and small ways we each can make a difference in the world. We are honored by the opportunity to have shared in Duncan's life and appreciate the service and joy he brought to the Davis Technical College Foundation Board.

Russell Galt and Duncan Barlow sporting their dashing kilts at a Foundation board meeting.

Lewis Memmott

Welding Technology Program

Orbit Irrigation Scholarship

I am so grateful for this scholarship! I am the father of five children, because of the dynamics of my large family, we have to be creative, thrifty and resourceful in all that we do, which I think is a huge blessing to our family, however, I am glad to have this generous grant to be able to start in on this new skill.

OPPORTUNITIES TO GIVE

DONATE TO SCHOLARSHIPS

For many individuals, a Davis Tech education would not be possible without financial aid. Your donation is an investment in their future and our community.

CONSIDER IN-KIND DONATIONS

In-kind equipment donations make effective, high quality education possible and affordable by ensuring current training with state-of-the-industry equipment.

DONATE TO THE GENERAL FUND

Support program growth, capital needs, and student support services. Your gift will provide additional opportunities for students and faculty and will enhance our campus with the latest technology to meet industry and community needs.

To discuss how you can support our efforts, contact the Davis Technical College Foundation director at **801-593-2374** or marcie.valdez@davistech.edu.
