Introduction of New Davis Tech Board Member
Michael Henry is the Vice President of Operations at Northrop Grumman. He was welcomed to the Davis Tech Board.

Recognition of Alana Wilson
Alanna Wilson received two teacher of the year awards in this past year: SAMPE Teacher of the Year award and the Utah Air Force Association Teacher of the Year. She was recognized at the SAMPE award ceremony as well as at the Utah Air Force Association Banquet. She was given $350 cash award for both awards she was also runner up to represent the state in the national recognition.

Introduction of New Employees
The following employee was introduced to the Board:
- Shila Leech, Digital Media Design Faculty

Consent Calendar
Stuart Eyring, Chair, called for a motion to approve items listed under the Consent Calendar which consisted of the following:
- Minutes of September 27, 2018
- Budget and Accounting Report
- Personnel Report
- Key Performance Indicators (performance to goal)
- Employer & Continuing Education Report
- Marketing Activity Report
- Foundation Activity Report
- Campus Development Update
- Scholarship Issuance
- Career Path High Report
- FY 2019 Budget Modification

The items listed under the Consent Calendar were approved on a motion made by Brigit Gerrard, seconded by Michael Henry. Motion passed.

2018 Occupational Advisory Committee Summary Report
Occupational Advisory Committees exist for each accredited program. Committees are intended to ensure Davis Tech programs remain current and relevant in meeting and aligning with industry needs and practices. Committees consist of at least three members who work in the field of instruction and are
located in the region served by the program. Members discuss industry practices with instructors and make recommendations on the following issues:

- Admission requirements
- Program content, length, objectives and skill requirements
- Instructional materials and competency tests
- Equipment
- Appropriateness of delivery method

There are currently 330 Occupational Advisory Committee members for 35 programs. During the fall 2017 and spring 2018, over 334 members attended meetings and contributed to the program development process at Davis Tech.

The Occupational Advisory Committee Summary Report shows membership, meeting minutes and feedback from committee members. The information is used to inform program changes and purchases of equipment and materials.

**Comprehensive Annual Financial Report and Accompanying Independent State Auditor’s Report**

The Comprehensive Annual Financial Report (CAFR) for Fiscal Year 2018 was prepared by Jeff Lund, Davis Tech Controller, and by the Fiscal Services Department of the College. The CAFR includes all elements of a financial report required to refer to the report as a comprehensive annual financial report. The information meets the financial reporting guidelines issued by the Government Accounting Standards Board (GASB), the National Association of College and University Business Officers (NACUBO), and the Government Finance Officers Association (GFOA). Management of the College assumes full responsibility for completeness and reliability of the information contained in the report.

Hinton Burdick, CPAs & Advisors, performed the regular, annual audit of the College for Fiscal Year 2018. Members of the auditor’s staff performed auditing procedures as outlined in their Independent Auditor’s Reports which are included in the CAFR.

The auditors have issued their report and have found no audit findings. Because there are no audit findings to discuss, the auditor, Morris J. Peacock presented their reports directly to the Board rather than meeting with the Board’s Audit Committee.

Now that Davis Technical College is a body corporate it provides the opportunity to apply for the Certificate of Achievement from Government Finance Officers Association (GFOA).

The Comprehensive Annual Financial Report and Accompanying Independent State Auditor’s Report was approved on a motion made by Troy Wood, seconded by Adam Toone. Motion passed.
**Foundation Annual Report**

**Foundation Year-End Summary and Audit**

Two thousand and eighteen was a year marked by a 40th Anniversary Ruby Gala and legislative approval for a long-anticipated Allied Health Building. The anniversary celebration was fully-supported by donated funds and the Davis Tech Foundation generated $1.5 million to support the capital campaign. Still, the Foundation awarded $146,653 in scholarships, a 4% increase over prior year.

The Foundation Year-End Summary and the Davis Applied Technology College Foundation Management’s Discussion and Analysis and Financial Statements for the years ended June 30, 2018 and 2017, with Independent Auditors’ Report Thereon completed by Carver Florek & James, LLC was shared with the Board.

**FY 2018 Year-End Budget Report**

The Board of Directors approved the final, revised Fiscal Year 2018 budget during the June 2018 Board meeting. The Fiscal Year 2018 Budget Report includes schedules and narrative which report budget to actual performance, as well as narrative which explains the difference between Fiscal Year 2017 and Fiscal Year 2018 financial performance.

The Budget Report provides detailed information about the College’s financial operations for the same period of time as the audited financial statements. The audited financial statements contain complex pension related information which makes those statements difficult to read. The pension information is not contained in this Budget Report. Therefore, the Budget Report may be more useful for management purposes.

The General Operating Fund revenues are 88.48% State Appropriations and 11.52% Student Tuition and Fees. The General Operating Fund also shows Salary and Benefits of 78.93% of total expenses.

A motion for the Board to approve the FY 2018 Year-End Budget Report was made by Karen Fairbanks, seconded by Lindsay Bayuk. Motion passed.

**Proposed Names for New Board Member**

Bart Warner resigned from the Board in June. He represented the transportation industry. Tucker Morgan from Kenworth has shown an interest in joining the Davis Tech Board. His profile was shared with the Board. He will be encouraged to apply through the Governor’s process for the Board of Directors.

**President’s Items**

- **Utah System of Technical Colleges Commissioner Search Update:** UTech Board of Trustees has interviewed the finalist and are completing due diligence process with a possible decision on October 30, 2018.

- **Davis Tech President Search Update:** A search committee (15 members) evaluated the applicants and narrowed the list to eight for interviews. Davis Tech Board of Directors will have the opportunity to interview the
finalist. Troy Wood and Brigit Gerrard will participate in the UTech Board of Trustees’ final interviews.

- ASHP Pharmacy Technician Accreditation Update: A site visit occurred on October 19th. There were no findings. The program will not be formally approved until the American Society of Health System Pharmacists (ASHP) meeting in July 2019.
- Allied Health Building Update: Russell Galt, Bryce Fox, and Leslie Mock were recognized in the programming process of the Allied Health Building. Preliminary drawings of the inside of the building were shared.

A question was asked by a Board member how campus security is handled on campus. As a campus, facility risk team, and administration is working with local and state law enforcement in providing opportunities to be trained on how to respond in emergency situations. Two full-time security employees are on staff at Davis Tech. Kaysville City Police stop by the campus occasionally and are very responsive when needed. A paging system is available on campus that broadcast from every phone on the campus. The college also has a code red alert system in place. Students and employees are informed of the emergency operations procedures and an emergency flip chart is available in offices, labs, and classrooms.

Campus Safety will be discussed in the December Board meeting.

Mental health services have been made available to students. Training from Safe Harbor is offered in Cosmetology to learn how to recognize domestic violence signs and how to report.

Brigit Gerrard made a motion for the meeting to adjourn.

**Adjournment**
The meeting adjourned at 4:47 p.m.
